NOTICE TO THE MARKET

São Paulo, July 04, 2019 - Marfrig Global Foods S.A. (“Marfrig” or “Company”) hereby informs, in accordance with Article 157, Paragraph 4 of Federal Law 6,404/76 and with Instruction 358/2002 issued by the Securities and Exchange Commission of Brazil, that credit rating agency Moody’s upgraded the Company’s credit rating from B2 to B1, with stable outlook in light of the improvement in the Company’s leverage profile following the conclusion of the acquisition of the control of National Beef and the divestment of the Keystone Foods business, as well as the strategy of adding higher value-added products and profitability supported by the North America operations.

Additionally, rating agency highlighted the evolution observed in corporate governance practices: “Marfrig has revised its Code of Ethics and Conduct and its Anticorruption Policy, while it implemented new governance policies, including clear formal financial policies on liquidity risk (limiting concentration of debt maturities in the short-term and cash levels) and leverage targets”.
