NOTICE TO THE MARKET

São Paulo, August 6, 2019 – Marfrig Global Foods S.A. (“Marfrig” or “Company”, – B3: MRFG3 and Level 1 ADR: MRRTY), one of the world’s leading beef producers, hereby announces to its shareholders and the market an exclusivity agreement with U.S. giant Archer Daniels Midland Company (ADM) for the production and distribution of plant-based protein products in Brazil.

The agreement between Marfrig and ADM establishes the companies will work jointly on the development of plant-based products. The U.S. company will be responsible for producing and supplying the plant-based raw materials used in the process. Meanwhile, Marfrig will produce, distribute and sell the products in the food service and retail channels.

Production of plant-based burgers in Brazil will be launched at Marfrig’s unit in Várzea Grande, Mato Grosso. The plant-based raw materials will be shipped directly from ADM’s plant to Marfrig’s plant.

The first plant-based burgers to be produced under the partnership between Marfrig and ADM will reach the Brazilian market by the end of this year and later also will be exported. In this first phase of the launch, products will be supplied to food service clients. Later, the vegetable hamburger will be sold in retail channels. Marfrig will launch a specific brand for its plant-based products.
